

Buy to let remortgage rates from 2.59%

Our limited edition Buy to Let Mortgage range aims to help landlords who opted for 2 year products ahead of the stamp duty increase in April 2016. These landlords may now be looking to remortgage and could be struggling to achieve the loan size they require, and our range has been designed with that in mind.

Hurry, these products are available for a limited time only.

ICR from 125% - Providing rental income meets 110% ICR at pay rate, individuals can use earned income

Portfolio limit of 20 properties with Precise Mortgages (up to a combined value of £10 million)

Available for individuals and Limited Companies, and also for HMOs up to 8 bedrooms.

Maximum loan size £500,000

Tier 1
