Key features

Our Refurbishment Buy to Let product offers your customer the best of both worlds when financing a refurbishment project - the flexibility of Bridging Finance with the security of a long term mortgage once the property has been refurbished.

Key features

- ▶ We offer **the surety of an exit onto a Buy to Let Mortgage** at the time of application (providing there is no change in circumstances and the property meets the expected valuation following refurbishment).
- ▶ Our **underwriters will be on hand** to help throughout the process, from keying the case for you, through to offering you expert assistance when you need it.
- ▶ The Buy to Let Mortgage product chosen will remain available whilst the Buy to Let Mortgage Offer is valid, allowing customers the security of knowing what their monthly repayments will be once the refurbishment is complete.
- ▶ **No mortgage repayments required** whilst works are being completed.
- ▶ One application which we will key for you, one valuer for both the bridging finance and the buy to let, one conveyancer and two procurement fees.

Ideal for:

- ▶ Properties needing works to meet minimum EPC rating, such as boiler replacement
- ▶ Properties purchased at auction that require light refurbishment to be acceptable for mortgage purposes
- ▶ Landlords choosing to refurbish in order to maximise the rental yield of their property
- ▶ Properties bought under valuation

Customers must be confident they can complete any refurbishment work within the buy to let offer validity period.

Our simple two-step calculator will indicate to you how our Refurbishment Buy to Let product works.

1

Contact

Call our Refurbishment Buy to Let underwriters on 0800 116 4385 (option 4) to discuss how we can help your customer.

2

Application

Review the Refurbishment Buy to Let products on the next page to select the most suitable product for your customer, then simply complete our application pack. We will contact you within four hours to discuss your application.

3

Initial assessment

Our team will key the application, saving you valuable time. We will make an assessment of the case. We will issue a Mortgage Illustration based on your customer's product selection and let you know of any additional information we may need.

4

Valuation

Once the customer is happy they can pay the valuation fee, we will collect and instruct the inspection, giving your customer the surety of an exit providing there is no change in circumstances and the property meets the expected post works valuation.

5

Offers

We will issue two offers; one for Bridging Finance and one for the Buy to Let Mortgage.

6

Bridge completes

Funds are released and works on the property can commence.

7

Re-inspection

You can contact us when the property is ready to be inspected by the valuer, and works should be completed within the buy to let offer validity period. There will be no additional fee to pay as this is included in the original fees.

8

Completion

If the valuation is returned as expected and there are no changes the case will complete on the Buy to Let Mortgage and the Bridging Finance will be repaid.
