Bank of England Base Rate (BBR) Trackers and the Reversion Rate
<p>BBR Trackers and reversion rates are variable rates that are linked to the Bank of England base rate. For new applications, any change to BBR will apply on our systems and documentation the next day. For existing accounts, any change to BBR will apply on the day of the change.</p> <p>All of our BBR tracker products have a floor. This means that if BBR were to fall to 0.00% or less the rate payable will be 0.00% plus the agreed set percentage above BBR. This means that the rate payable will never go below 0.00% plus the additional percentage rate of the tracker mortgage.</p>
