

AToM issues TMW offer

All Types of Mortgages (AToM) has issued the first mortgage offer in-house for The Mortgage Works (TMW) on its non-conforming range.

TMW expanded its non-conforming offering on 8 January, initially distributing through three selected packagers, with products from near-prime through to heavy adverse on a full status or self-cert basis, together with a buy-to-let range from near-prime to light adverse.
