

## System Access

### Logging In

To log into the system, you will need your email address and password.

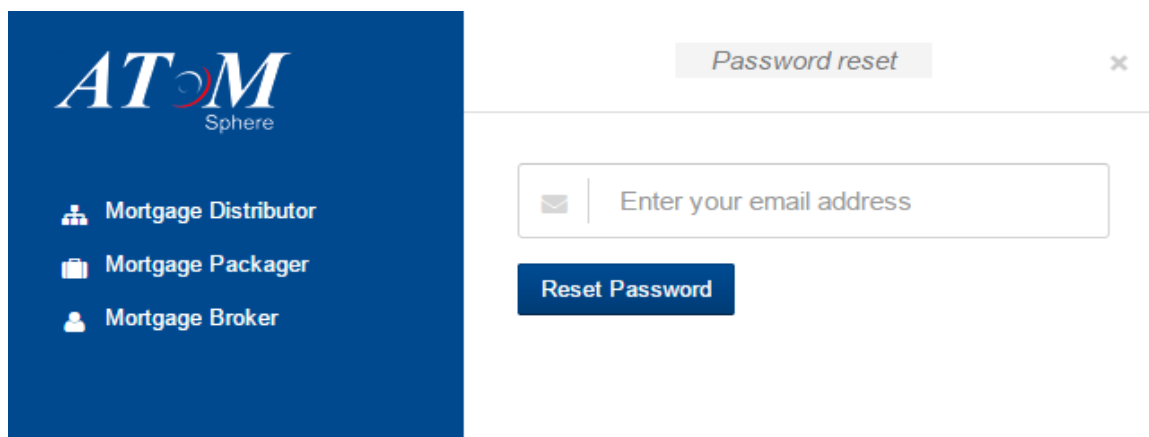

On the login screen, enter your email address and password.

The screenshot shows the AToM Sphere login interface. On the left is a blue sidebar with the AToM Sphere logo and three user roles: Mortgage Distributor, Mortgage Packager, and Mortgage Broker. The main content area is white and titled "Login to your account". It features two yellow input fields: the first for "Username or email" and the second for a password, indicated by dots. Below the fields is a blue "Log in" button and a link for "Forgot your password?".

### Forgotten Passwords

If you forget your password, you can press 'Forgot your password?'. Enter your email address and press Reset Password and a new password will be sent to you. Do not forget to check your junk email as your system may place the response in this email folder. Please note the system may take a few minutes before the password comes through.

The screenshot shows the AToM Sphere password reset interface. On the left is the same blue sidebar as in the login screen. The main content area is white and has a title bar that says "Password reset" with a close button (x). Below the title bar is a white input field with an envelope icon and the text "Enter your email address". Below the input field is a blue "Reset Password" button.
